### In my absence from the ARRL board, over the last three years:

- The board withdrew Antenna Legislation that could have benefited many with HOA restrictions
- We have lost a frequency band
- We have lost our exemption for RF exposure limits
- We now will have FCC licensing fees
- We have multiple petitions to the FCC that have gone unanswered

**I know I can make a difference, but I cannot do it sitting on the sidelines.**

**You will receive a mail ballot from the ARRL in late September or early October. PLEASE VOTE and return it to the ARRL ASAP.**

**PLEASE VOTE**
